

## Frankly Speaking: A Collection of Essays, Writings and Rants

Filesize: 4.12 MB

### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 300 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. In this, the first collection of prose by one of the U. S. s most controversial performance artists (P-Form Magazine), Frank Moore explores his deep and uncompromising vision of human liberation and art as a battle against fragmentation. In the essays, writings and rants of Frankly Speaking, roughly covering the period from the late 1970s until his death in 2013, Moore reveals his plan for the complete political and social transformation of American society (see Platform for Franks Presidential Candidacy 2008), stirs up the art world, urging fellow artists to truly live their calling and not accept censorship (see Art is Not Toothpaste or The Combine Plot), pulls the reader deeply into the heart of magic, responsibility, shamanism, play, and expanded sexuality (see Inter-Penetration or Dance of No Dancers), and much much more. Frank Moores essays have been praised by political activists, authors, artists and cultural icons like Bill Mandel, John Sinclair, Penny Arcade, Annie Sprinkle and many others for their comprehensive and revolutionary world-view. The reader gets to join Franks joyful and fearless digging into the core issues of human experience to get to something deeper: intimacy, tribal community, freedom. Frankly Speaking also gives us a peek into the history of these pieces, which have been widely published all over the world, from the smallest of underground zines to the most established mainstream art journals. But Frank always focused on the small, personal, intimate level, and always fought to stay underground. As he writes in Mainstream Avant-Garde: The underground is where the real freedom and the real ability to change society are to be found. The writings in this collection have this beautiful slow pace as if...
