Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, **Successful Single-sex Classrooms: A Practical Guide to Teaching Boys and Girls Separately**, Michael Gurian, Kathy Stevens, Peggy Daniels, This book is an essential resource for educators who are teaching or leading schools with single-gender classes, whether they're in public, private, or Catholic schools. It is a "soup-to-nuts" guide, covering everything from curriculum planning and classroom design to school policies and parent-teacher communication. Whether contemplating this new educational trend, or already working within one of the 12,000 single-gender schools, this practical guide shows educators how they can make the most of a unique educational opportunity. Positioned at the forefront of brain-based learning, Michael Gurian's work translates and distills the latest scientific research into key points which can be immediately integrated into an educator's existing practice. The research underlines the importance of single-sex learning, and supports the creation and implementation of new strategies for accommodating the brain differences of boys and girls - at both the school and classroom level.
