

Nerd Do Well: A Small Boy's Journey to Becoming a Big Kid

Filesize: 3.85 MB

Reviews

The very best book i actually read. I was able to comprehend every little thing using this composed e publication. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GOTHAM BOOKS, United States, 2012. Paperback. Book Condition: New. Reprint. 224 x 150 mm. Language: English . Brand New Book. The unique life story of one of the most talented and inventive comedians, star of Shaun of the Dead, Hot Fuzz, Paul, Spaced, and Star Trek. Zombies in North London, death cults in the West Country, the engineering deck of the Enterprise -- actor, comedian, writer, and supergeek Simon Pegg has been ploughing some bizarre furrows. Having landed on the U.S. movie scene in the surprise cult hit Shaun of the Dead, his enduring appeal and rise to movie stardom has been mercurial, meteoric, megatronic, but mostly just plain great. From his childhood (and subsequently adult) obsession with science fiction, his enduring friendship with Nick Frost, and his forays into stand-up comedy, which began with his regular Monday-morning slot in front of his twelve-year-old classmates, Simon has always had a severe and dangerous case of the funnies. Whether recounting his experience working as a lifeguard at the city pool, going to Comic-Con for the first time and confessing to Carrie Fisher that he used to kiss her picture every night before he went to sleep, or meeting and working with heroes that include Peter Jackson, Kevin Smith, and Quentin Tarantino, Pegg offers a hilarious look at the journey to becoming an international superstar.
