Ever since moving there as an orphaned teenager, she's worked hard to carve out a place for herself in the tight-knit community. Now she's mayor and owner of the town's flower shop. But she also has a big secret and nine months to figure out how to break the news to the father. Lawyer Malcolm Carter has always been the golden boy of Cupid Falls until he discovers the one night he spent with the girl-next-door turned out to have a lifetime of consequences. Now, the mother of his child wants nothing to do with him, and he's gone from someone who is admired to persona non grata as the town rallies behind its mayor. Malcom has always known what he wants. But now as Christmas approaches, he'll have to discover a way to show Kennedy that she could find the only thing she's ever really wanted a true home with him. Convincing her will take the help of Cupid Falls quirky residents and a bit of holiday magic.
