Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)

LANCASTER MEN: THE AUSSIE HEROES OF BOMBER COMMAND

Allen Unwin, Australia, 2013. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. Over 10,000 Australians served with Bomber Command, a highly trained band of elite flyers who undertook some of the most dangerous operations of World War II. They flew mission after mission over France and Germany knowing that the odds were against them. Stretched to breaking point, nearly 3500 died in the air. Their bravery in extreme circumstances has barely been recognised. Peter Rees traces the extraordinary achievements of these young aviators. He tells their hair-raising stories of battle action and life on the ground. And he recounts how, when they returned to Australia, they were greeted as Jap dodgers and accused of hiding in England while we were doing it tough .
