To download **On Urine, Urinary Deposits, and Calculi: Their Microscopical and Chemical Examination, Including the Chemical and Microscopical Apparatus Required, and Tables for the Practical Examination of the Urine in Health and Disease; The Anatomy** eBook, please refer to the web link under and save the ebook or have accessibility to other information that are relevant to ON URINE, URINARY DEPOSITS, AND CALCULI: THEIR MICROSCOPICAL AND CHEMICAL EXAMINATION, INCLUDING THE CHEMICAL AND MICROSCOPICAL APPARATUS REQUIRED, AND TABLES FOR THE PRACTICAL EXAMINATION OF THE URINE IN HEALTH AND DISEASE; THE ANATOMY ebook.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *On Urine, Urinary Deposits, and Calculi: Their Microscopical and Chemical Examination, Including the Chemical and Microscopical Apparatus Required, and Tables for the Practical Examination of the Urine in Health and Disease; The Anatomy and Physiology of the Kidney, With Upwards of Sixty Original Lectures* which are now published were first given in November 1852, at a laboratory which I had arranged for the study of those branches of chemistry and microscopical inquiry which have a special bearing on medicine. Several courses of lectures and demonstrations were given during the seven succeeding years; but of late, increased work in other departments has prevented me from devoting so much of my time to this branch of teaching. The course on urine included oral lecture and practical demonstrations, in which every pupil performed the experiments with his own hands, according to the directions given in the Tables, which will be found at page 401 of the present work. The lecture (to page 362) were first published in the *British Medical Journal*, and are now printed in a collected form, with several additions. I have endeavoured to restrict myself, as far as possible, to those parts of the subject which are of practical importance in investigating the nature of a case. It must be borne in mind that the lectures were given to practitioners, most of whom had far larger experience in practice than myself. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work.
