Barron's Educational Series. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. This lyrical tragedy of two star-crossed lovers and their feuding families is one of the world's most famous love stories. Books in this new, illustrated series present complete texts of Shakespeare's plays. The story's background is explained, followed by brief descriptions of key people who will appear in the act, details students should watch for as the story unfolds, discussion of the play's historical context, how the play was staged in Shakespeare's day, and explanation of puns and plays on words that occur in characters' dialogues. Identifying icons preceding each of these study points are printed in a second color, then are located again as cross-references in the play's original text. For instance, where words spoken by a person in the play offer insights into his or another character's personality, the Character's icon will appear as a cross-reference in both the introductory spread and the play proper. Following each act, a closing spread presents questions and discussion points for use as teachers' aids. Guided by...
