Random House USA Inc, United States, 2007. Paperback. Book Condition: New. Reprint. 175 x 104 mm. Language: English . Brand New Book. It begins with a shocking, unsolved murder. In small town in southern Illinois, the butchered body of Linda Balfour--with a cryptic code printed in blood on the back of her head--forges a gruesome link to the brutal murder of Bishop Rushman, the beloved Chicago clergyman who had been dismembered years before by the angelic-looking altar boy, Aaron Stampler. The same Aaron Stampler whom defense attorney Martin Vail saved from the electric chair. Now Vail is Chicago s chief prosecutor, facing the nightmare of his life. If Stampler has been locked away in a high-security institution for the past ten years, how could he have killed Linda Balfour? Then another altar boy turns up dead with a similar inscription in blood on the back of his head. If Aaron Stampler isn t committing these killings, who is? Martin Vail s career--maybe even his life--hangs on the answer.
