

## Implementing Free Will

By Adam a Allard

Adam Allard, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wanted to know exactly how much control you have over your thoughts and decisions? Many scientists today contend that we have no control and are therefore unable to have any free will. Implementing Free Will answers those questions with straightforward theories about how the mind works, and describes how you not only have control over your thoughts and decisions, but shows you strategies on how to improve your thinking to maximize intellectual growth. Implementing Free Will goes further with examples and analogies that allow the reader to better understand the processes involved with both the conscious thought process as well as the subconscious engine of the mind's operating system. From conquering fears to strategic thinking, this book covers all of the basics and more. This work was meant to convey, in simple terms, ideas and theories meant as a starting point for further scientific inquiry and discovery. Because of the nature of the content, the author chose to keep the work concise and to the point, making it both accessible and easy to...
