It embodies many facts, figures and suggestions resulting from long observation and an extremely varied practical experience; and while these are designed for the exclusive use of specialists, I trust that, taken altogether, it will prove highly profitable reading to all those numerous classes directly or indirectly interested in the production, manufacture, sale and consumption of commercial fertilizers. I have endeavored to couch it in common, every-day language, and have avoided as far as possible all unnecessary chemical formulae and technical terms. In a word, my aim and ambition have been to make it intelligible and useful to the ordinary careful reader,...
