Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

GONGORA (HARDBACK)

George Braziller, United States, 2007. Hardback. Book Condition: New. Pablo Picasso (illustrator). Bilingual. 256 x 193 mm. Language: English, Spanish. Brand New Book. Picasso was first attracted to the work of sixteenth-century Spanish poet Luis de Gongora y Argote during the 1920s, when the poet, called the father of modern poetry by Federico Garcia Lorca, was resurrected by the Surrealists. Gongora is comprised of twenty sonnets by the poet, which Pablo Picasso wrote out in hand and further embellished with flourishes, figures and sketches. The artist also rendered twenty portraits to accompany these poems. The result is a blending of word and image, full of imaginary variety and exceptional artistic virtuosity. This bilingual edition of Gongora, featuring a preface by award-winning poet Edward Hirsch and an introduction by former New York Times chief art critic John Russell, presents this intimate union of art and poetry. Gongora's sophisticated and complex poetic style inspired a school of literature, called culteranismo, influenced by his expressive power, unrestrained by the strict conventions of formal Spanish. Known for his sharp wit and self-satire, he was acutely aware of the irony in his passion for women and gambling, and his position as a deacon of the Catholic Church. In Gongora, Picasso's handwritten Spanish text, with its embellishing remarks closely following the words, established the artist's personal attachment to the poetry. The rich presentation of images--described as a veritable feminine kaleidoscope--invites the natural comparison with the great Spanish portraitists Velasquez and El Greco, who were Gongora's contemporaries. This edition of Gongora will appeal to a broad audience and expose a new generation of readers to the lyrical brilliance of this groundbreaking Spanish poet and to the visual interpretation of his famous admirer. Picasso's etchings, executed in drypoint and aquatint, demonstrate an extraordinary ability...
