

The Truth about Always: An Exploration of Love Through Time

By Laura Brooks

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.What does it mean to have a timeless love? When Laura Brooks, a passionate college professor, meets Jackson Riley, an eager college student half her age, she finds herself questioning everything she believed about the passage of time. Since there is such a large age difference between them, Laura and Jackson must exist in the world at two different phases of life. But when they are alone, the age gap disappears and they share the same space in time. You may wonder about the importance of time within your own relationships. Why can fleeting moments be more powerful than years spent together? How do the things we shared in the past and our hopes for the future affect the love we share now? What role does timing play in the magic of attraction? What does it mean for a relationship to stand the test of time? The Truth About Always is a guide to understanding how our perception of time affects the way we love one another. The book will explore concepts relating to time including synchronicity, time...
