## MUSIC AND THEOLOGY

Abingdon Press. Paperback. Book Condition: new. BRAND NEW, Music and Theology, Don E. Saliers, This book presents a relatively brief but highly engaging essay on the major concerns and questions regarding Worship as it intersects with theology - past and present. Don Saliers is a senior scholar in this field, one who is able to address in a clear and concise style the scope and contours of this question as it relates to theological inquiry and application. He will sketch the nature and significance of the subject, the history of reflection, the current lines of inquiry, and his own contribution to the discussion. The scope of the essays cannot be exhaustive and completely interdisciplinary. Instead, Saliers will open the broader lines of discussion in suggestive, evocative, and programmatic ways. "The Horizons in Theology" serve as supplements and secondary required texts in colleges and seminaries, as well as the interested nonspecialist reader.
