

Toyota 2006-2016 Service Guide Log

By C Almeida

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this guide is to help Toyota vehicle owners to simply understand and track the required service maintenance tasks and intervals. Each service interval page lists all recommended service tasks for the given period. On the back of each service interval page is a place holder where the owner can attach receipts associated with the given service. This provides a simple and effective means of collecting and organizing vehicle service records for future reference. A great resource in the resale market, where confidence is gained by prospective pre-owned vehicle buyers when sellers are able to demonstrate that the vehicle has been well maintained. It is also an indispensable tool when dealing with warranty claims.
