

# Open Me

By Sunshine O'Donnell

M P Publishing Limited. Paperback. Book Condition: new. BRAND NEW, Open Me, Sunshine O'Donnell, Sunshine ODonnells arresting debut draws us into the secret, alluring world of professional mourners, where women are trained extensively and paid handsomely to cry at the funerals of complete strangers. At the center of the story is Memone of the few remaining American girls in this illegal profession, who will eventually become a renowned wailer after enduring her mothers ancient, emotionally abusive, cult-like training rituals. But Mems infamy brings with it unwanted attention, from both the families of the deceased and the authorities. Interweaving poetic prose and artifacts spanning six thousand years and seven continents, Open Me is an utterly original novel about mothers and daughters, dark underworlds, and the play between fact and fiction.

## Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
