Working in the world of fashion amongst the most beautiful, desirable people on the planet, Polly goes largely unnoticed as a Photo-shoot Assistant. Hiding herself in an overweight body, shrouding herself with lackluster style, she deftly diverts attention, especially from men. But on a chartered flight to an exotic fashion shoot in the South Pacific, the small plane crashes, stranding Polly and three male models on a deserted island. As the castaways struggle to survive in the tropical heat, Polly becomes an essential part of the team and she blossoms. The sparse island diet trims her, the hard work tones her, the sun tans her, and the men take notice. As days become weeks, sexual tension arises and Polly realizes her days as a wallflower are over. But can she satisfy the needs of three virile men? Dexter Harris, the alpha male, dominates her. He likes control, demanding submission from Polly. Ethan Garner, the All-American boy, trivializes her. He s interested in casual sex, completely oblivious to the fact that Polly s in love with him. Jason Moss, the momma s boy, worships her. He leans heavily on Polly for comfort and guidance. As Polly navigates the men s desires, she gains confidence in herself, and her sexuality, establishing herself as a dominating force on the island. But her emergence threatens the balance of power.And the struggle for supremacy is on. Dark, and erotically tense, this is a story about one woman, three men, and sexual politics.Polly Ticks.
