Octopus Publishing Group, United Kingdom, 2015. Paperback. Book Condition: New. 223 x 221 mm. Language: English . Brand New Book. We all know who the hipsters are - or do we? Discover the hip people of this world in all their habitats: the coffee shop, the flea market, the queue for an indie film show. Find out what they keep in their vintage bag, how they like their shoes, how they get to work, and what they get up to at the weekend. Enjoy the hairstyles, the pets, the tattoos and the bicycles, and discover what they really keep in their store cupboards. In this exquisitely drawn collection of 37 illustrations to colour in, (hip) illustrator Charlotte Farmer leaves no coffee pot unpercolated in the hipster domain. Drawing on her keen observation of hipster settlements, she has charmingly created the book every hip person will pretend not to want, and you never know, as you colour in these beautiful drawings, you too may find your inner hipster.
