The standards describe what students are expected to be able to do. Student learning is based on these standards throughout the year, and students in most states are tested based on these standards at the end of the school year. This workbook develops many skills listed in the Common Core Standards for English Language Arts, including skills in the reading, writing, and language strands. A complete list of the specific skills covered is included in the back of the book. Matches the Texas Standards The Texas standards, or TEKS, include key skills that are specifically covered by this book. These include using context to determine word meaning, identifying and using prefixes and suffixes, using antonyms and synonyms, and using adverbs and pronouns. In addition, the book will develop a range of reading, writing,...
