UNHOLY DILEMMA: A SEARCH FOR LOGIC IN THE OLD TESTAMENT

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Many theologians, Bible scholars, and others have written commentaries on the Old Testament-and almost without exception they have attempted to explain the intent and spiritual implications represented by the conflicting statements of the ancient writers without taking issue with the content itself. Unholy Dilemma - A search for logic in the Old Testament departs from the approach of presuming to divine what the ancient writers meant to say and merely examines what they actually did say. Starting with Genesis and culminating in Malachi, Unholy Dilemma strives to examine statements and claims made by the various Old Testament writers, and then analyzes them in light of history, science, human physiology, archaeological discoveries, and plain common sense. The results are fascinating, compelling, and at times, perplexing. Biblical myths and superstitions are revealed for what they actually are. Impossibilities supposedly based on natural science are exposed as fraudulent claims. Acts of genocide which are claimed are discussed and questioned. And where I found truth and moral instruction-that too, was highlighted. The only explanation we have of the nature of God is obtained solely via the writings of the Old and New Testament authors. Since no one has actually seen or talked with God, everything we believe is obtained from the writings of ancient and superstitious people who in turn got their information from other individuals. Unholy Dilemma does not begin with any particular agenda or inflexible viewpoint regarding the accuracy and truthfulness of the Old Testament scriptures. The information I discovered when I turned over a specific rock is all that I discuss. I add nothing and take nothing away! The incongruity between the Gods of the Old...
