Bookmark Publishing (NY), United States, 2016. Paperback. Book Condition: New. 277 x 203 mm. Language: English . Brand New Book. Ever wanted to eavesdrop on conversations between women of the Bible? Here's your chance to experience #147;what might have been? with this fun-filled compilation of short skits on prominent biblical women. Using a good dose of humor, Edna James has pulled back the curtain on several women of the Bible to point out spiritual truths that do not stray from biblical teachings. She shows how Eve may have dealt with everyone faulting her for eating the apple, explores the rivalry between sisters Rebekah and Leah, and reveals the deep friendship and love between Naomi and Ruth. Several other skits also focus on how biblical women dealt with the consequences of their decisions. In addition, James includes a study guide for each skit. She provides the relevant Bible verses pertaining to the stories, and asks pertinent questions for further reflection. Women of all ages can use these guides to stop and think about their lives and how they might have responded if they had been faced with the same circumstances as these biblical women. Useful for Sunday school lessons, women's groups, or ministries, Women of the Bible is sure to inspire and encourage!.
