

Kindergarden of Eden: How the Modern Liberal Thinks

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dominic Collins)

KINDERGARDEN OF EDEN: HOW THE MODERN LIBERAL THINKS

Createspace, United States, 2012. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Why the Modern Liberal s thinking leads him to side with evil over good, wrong over right and the behaviors that lead to failure over those that lead to success. Further extrapolating on the ideas in his wildly popular viral youtube talk to the Heritage Foundation, that has received over 600k hits, Evan Sayet uses his signature wit in this new book to ask thought- provoking questions during these turbulent economic and social times. And he provides the reader with some surprising answers. Andrew Breitbart said that Evan Sayet s Heritage Foundation Speech was one of the five most important conservative speeches ever given. That speech was the foundation for this book. How did the song Imagine by John Lennon become the perfect symbol of liberal thinking? Why does Bruce Springsteen dub pain as the wages of toil and hard work? What s the Democrats beef with God? What do they have against the Jews of Israel? Why do they want abortion to be commonplace and frequent? Why does the Modern Liberal -the dominant force in today s Democratic Party and in so much of today s popular culture - seem to always side with evil over good, wrong over right and the behaviors that lead to failure over those that lead to success? Evan Sayet answers those questions and a lot more.
