SECURITY IN THE INFORMATION SOCIETY

Book Condition: New. Publisher/Verlag: Springer, Berlin | Visions and Perspectives | Recent advances in technology and new software applications are steadily transforming human civilization into what is called the Information Society. This is manifested by the new terminology appearing in our daily activities. E-Business, E-Government, E-Learning, E-Contracting, and E-Voting are just a few of the ever-growing list of new terms that are shaping the Information Society. Nonetheless, as "Information" gains more prominence in our society, the task of securing it...

Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
-- Pasquale Larkin I

This written book is excellent. It generally is not going to expense a lot of. Its been developed in an extremely straightforward way which is merely right after i finished reading through this pdf where in fact altered me, modify the way i really believe.
